

I've been teaching for a while and I've never met a more extraordinary kid.

I can already see what you will be and it's amazing.

The only one who can stop you is you. I think it's time to start working on your dreams.

Every day, I get happy when you walk in the door. Thanks for making this room a brighter place!

I am so grateful to have the opportunity to be a part of the story of the beginning of what you are becoming!

You are the kind of kid I became a teacher to work with.

The world is a lot brighter because of you!

How can I help you be amazing today?

I have bad days. Do you? Let's try again and we can make today great!

I know that you have amazing things inside, and I know when we figure out how to let em out the world is going to discover how great you really are.
