

When you choose to share  
your story, I will stand in  
line to read it.

I want things to go your way  
today!

I am so proud of you for  
everything you are.

If they ever make a movie  
about my life, would you mind  
playing the role of my favorite  
student?

You and coffee are the best  
things about my day.

I can already see what you're  
going to be, and it's amazing.

I know that at present I may  
appear smarter than you but  
soon you will be much smarter  
than me.

I see what you do when  
kids are unkind and it  
inspires me. You might be  
the coolest kid I ever met.

Thanks for being you. Knowing that  
I have a special kid in my class  
makes me get to work on time every  
day!

Sometimes I brag to the other  
teachers that I have you in my class.
